INSURANCE

Arrange for liability insurance as required by s.194.41, Wisconsin Statutes. Have your insurance agent contact the **Commercial Underwriter** and request that the insurance company file proof of insurance coverage **electronically**. Although we accept mailed or faxed copies of the FORM E, filings done electronically will expedite the application process.

Insurance companies can contact this office for information regarding electronic filing.

Interstate regulated carriers are required to file a BMC91X Federal Liability Certificate. The commercial underwriter will file this with the FMCSA electronically. WisDOT will use the information from the federal website to verify insurance coverage.

If you have had a **corporate name change and are not from Wisconsin**, you must file with the Department of Financial Institutions (DFI) as a foreign corporation or provide a copy of the amended articles of incorporation. **If you are a Wisconsin corporation**, you must contact DFI at **(608) 261-7577** to file the corporate name change **documents**.
