

Wisconsin Limousine Association Mission Statement

The Wisconsin Limousine Association (WLA) was formed to educate, promote and unite the livery industry within the State of Wisconsin.

The mission of the WLA is:

- To provide a statewide forum for the exchange of information and views by its' members.
- To provide a centralized mechanism for the collection of information and to inform members concerning matters of mutual interest and concern.
- To advance the interest of the livery industry and its' members to local, state and federal agencies.
- The WLA believes that each operator has the right to operate their business as they deem it necessary, provided that it complies and operates within the law.
- The WLA will work towards educating its' members on what is allowed by the rules and laws of the State of Wisconsin regulatory agencies and various local and federal entities.
- Benefits to our members: Members have an opportunity to network with other operators and suppliers.
